Dear Readers

Happy Belated New Year, and welcome to the first Star of 2024! This time of year can feel quite gloomy and uninspiring. However, if you are looking for something new to do in 2024 then we might have the answer right here.

Fancy growing your own food? T. R. S Allotments are looking for people to go on the waiting list. Having been an allotment holder for a year now, I can highly recommend it. It is hard work but extremely satisfying, see page 7 for the write up.

Since last year 2nd Ranskill Scouts has grown tremendously with the start up of two sections, and an increase in numbers to 94 young people with 10 people on the waiting list.

They are therefore looking for more volunteers to assist them so that they can carry on giving great experiences to the young people. See page 10 for how to get involved.

On page 21 Ripples Charity is calling out for volunteers for both the baby and toddler group and the social group. Can you spare a few hours of your time to help?

The Ranskill Bowls Club will hold their AGM on 9th Feb and is open to the public to share thoughts and ideas.

And if you're still in hibernation mode, there are plenty of quiz questions and puzzles to test your mind on a cold evening, and new healthy recipes to try on page 17!

Enjoy
Luci

Christian Perspective

It's good to know you can trust someone who makes you a promise. It was something I always tried to do for my children when they were small. If I promised something good, I would carry it out. And if I warned of discipline for bad behaviour, I would carry that out too, if

they continued. With children it helps them feel safe when what is said to them is carried out; they know where they stand. What is true for children is also true for us as we grow up and grow older.

It will not help in relationships if promises made are not kept. We can become disappointed and disillusioned with people who promise to do something for us and then forget, or don't bother, or never really meant it in the first place.

One of the most precious things about the Bible as we read it and experience it's truths, is the faithfulness of God in keeping his promises to us. It's an encouragement to continue in our faith in God through Jesus Christ, when we read verses like this in Hebrews 10:23: *Let us hold fast the confession of our faith without wavering, for he who promised is faithful.* So we can keep on speaking out our faith, as we know it is true, because God promised it and he is faithful. He always keeps his word to those who believe, and he does what he says he will do.

In John's Gospel we read the words of Jesus saying, *"For my Father's will is that everyone who looks to the Son and believes in him shall have eternal life, and I will raise them up at the last day."* John 6:40. This verse and ones like it give us a firm foundation for our faith and a sure and certain hope of eternal life with Christ.

Here's another verse that gives us confidence for our faith: *He will also keep you firm to the end, so that you will be blameless on the day of our Lord Jesus Christ. God is faithful, who has called you into fellowship with his Son, Jesus Christ our Lord.* 1 Corinthians 1:8, 9.

Once we have repented of our sin and invited Jesus to come into our lives and be our Saviour, this is true for us. Because God loves his Son, he loves all who come to him through his Son. We can set our faith on his promises and his faithfulness.

Here's a great blessing we too can receive that Paul wrote to the Thessalonian church: *May God himself, the God of peace, sanctify you through and through. May your whole spirit, soul and body be kept blameless at the coming of our Lord Jesus Christ.*

The one who calls you is faithful, and he will do it. 1 Thessalonians 5:23-24. God bless you as you stand strong in your faith, trusting in the promises of God.

Puzzle for February

Sudoku is a number placement puzzle. The aim of Sudoku is to complete the grid by entering numbers from 1 to 9 in each empty cell of the 9x9 grid which comprises 9 sub-grids each with 9 cells in a 3x3 pattern. Each row, column and sub-grid must contain only one instance of each number.

There are variants of Sudoku. In this puzzle there are 9 shaded cells, one in each sub-grid. These shaded cells must also contain the numbers 1 to 9. The solution is included elsewhere in the **STAR**.

TORWORTH, RANSKILL AND SCROOBY ALLOTMENTS

As a new gardening year dawns, some people maybe be thinking about growing their own food, spending time in nature and taking on a new gardening project. The benefits of gardening for physical and mental wellbeing are well documented. Growing your own food is immensely satisfying, saves money and is good for the environment.

There are currently 158,000 people on English local authorities' allotment waiting lists and the average wait time is 3 years! There are not enough allotments to satisfy demand.

We are very fortunate to have an allotment site at Torworth which is exclusively for residents of our three villages. Founded in 2010 on the site of a plant nursery, the site has 13 allotments, each one approximately 13.5 m long and 7.5 m wide. Not huge by allotment standards, but enough to grow a large

amount of food throughout the year.

Taking on an allotment involves quite a lot of work, initially weeding and mending fencing etc. and getting the layout to suit your growing requirements. New allotment holders are often surprised by how much work is involved, so it is better to be aware of this if you are thinking of applying for an allotment. Help is available, if needed for new allotment holders and the old hands are a friendly group, willing to give advice and support.

If you would like to go on the waiting list for an allotment, then please contact Julie Davison, Secretary to T.R.S. Allotments, by emailing: jandp2@icloud.com

Happy gardening!

Nottinghamshire Wildlife Trust

North Notts Local Group Talk—Bees and Other Insects

We all know how important bees are, not just for making honey but for pollinating all manner of crops. Without bees and the many other insects that go around pollinating our fruit and vegetable plants, our flowers and wildflowers, we would, at the very least, see a serious decline in the produce available to us.

It may not be something we have thought very much about. There's plenty of choice in the supermarkets. But we should think about it. No conscientious car owner, in my youth, was without a bottle of fly squash remover to clean the dead insects from the front of the car. Who needs that now? We need to understand what's happening to our insects and do our bit to ensure their survival.

February's talk at Idle Valley Centre, Bees and Other Insects, will be given by ecologist, Kieron Huston. The focus of Kieron's talk will be on what our gardens can tell us about the changing fortunes of insects

and how gardens contribute to maintaining insect populations locally. Kieron is eminently qualified to guide us through the complexities of the changes in insect populations. He works for Derbyshire Wildlife Trust and has done for 20 years, mainly dealing with development proposals and their impact on wildlife as well as carrying out around 500 surveys of Local Wildlife Sites over the years. He is also Records Co-ordinator for Derbyshire and Nottinghamshire Entomological Society. We are delighted to welcome him to the Idle Valley as our speaker at the February meeting.

The meeting will start at 7.15pm on Thursday, 8 February 2024. Admission £3 includes tea, coffee and biscuits. All welcome; no need to book.

For more information, phone Jan 01777 709974, 07969180067 or email janwilliamson133@gmail.com

The Wednesday Group Volunteering

February and most people's New Year resolutions have been abandoned. Seemed like a good idea to be thinner, fitter, more sociable but somehow, it just didn't happen. Maybe you need to try something new. How about volunteering?

All the Wednesday Group organisers are volunteers. No one gets paid and everyone turns up week after week. Why? Because they have a great time? Because it gives some shape to the week? Because it gives added meaning and purpose to their lives? Because other people are pleased to see them and come to rely on them? Yes. Probably all those things and more.

Don't be fooled by the notion that someone is getting you to work for nothing while they get paid. I'd say, if someone offers you a volunteering opportunity, they could be doing you a real favour and if you volunteer

and you don't enjoy it, you're probably in the wrong business; try a different one. Bassetlaw Community and Voluntary Service (BCVS) has heaps of opportunities (01909 476108) and if you'd like to see what we do at the Wednesday Group, ring Jan and pop round. Or, why not start your own group? It might well be easier than you think. Go on; make this year different!

If you care for someone with dementia or you yourself have a diagnosis and you think the Wednesday Group might be helpful, do get in touch. For more information, contact Jan on 01777 709974 or 07969180067 or email janwilliamson133@gmail.com for the latest on what we are doing and current availability. We sometimes have to operate a waiting list but not very often and although we charge £10 per session to cover our costs, your first visit is free.

Joy T

From the ying to the yang: A polite request to parents of young boys

I live in Stonehill Close & approx 2 months ago a trio of young boys began to play a practical joke on me by creeping over my front lawn & wrapping their knuckles on my front window in the early evening.

This then escalated to them standing in front of my garden & throwing tennis balls @ my front window, one of these I have collected off my front lawn.

However when I recently arrived home from early evening shopping my front door & glazed panel had been smeared with broken eggs, this is not a practical joke but it is harassment.

The smallest of this trio arrives & escapes on his electric scooter.

May I politely ask that all parents of young boys kindly ask them (if they are involved in this) to please stop it immediately.

Thank you in anticipation of your kind help.

I have refrained from posting my name & full address.

Kind regards to all Star readers.

Riddle Me

How quickly can you find out what is so unusual about this paragraph? It looks so ordinary that you would think nothing is wrong with it - and in fact nothing is wrong. But it is a bit odd. Why? If you study it and think about it, you may find out. You must do it without coaching. No doubt if you work on it for long it will dawn on you. What is it?

And here are some more riddles - see how you get on...

1. What gets wetter and wetter the more it dries?
2. You throw away the outside and cook the inside. Then you eat the outside and throw away.
3. What goes up and down the stairs without moving?
4. What can you catch but now throw?
5. I can run but not walk. Wherever I go, thought follows close behind. What am I?
6. What's black and white and red all over?
7. What goes round the world but stays in a corner?
8. I have holes in my top and bottom, my left and right, and in the middle. But I still hold water. What am I?
9. Give me food and I will live. Give me water and I will die. What am I?
10. The man who invented it doesn't need it. The man who needs it doesn't know it. What is it?

CHAS

RESOLVE, DISSOLVE ?

Five weeks gone of this New Year
 (I wish you all the best of cheer!)
 How many plans have gone astray
 Since first we said on New Years Day
 That I will cease from this or that,
 Only to find it has all gone flat?
 "I'll spend the whole year being good"
 (Blame that one on the Christmas pudd.)
 Thus we made our contributions
 To that list of resolutions.
 One by one they've gone astray,
 Despite my efforts to obey
 The voice within me that dictates
 "Only the weak procrastinates".
 Perhaps I've set my bar too high?
 Start again? Another try?
 A bit too late for that, I fear
 But I will try harder, come next year.

 - 9.2 Planning issues: New Applications: 23/01275/OUT, Outline permission for 5 homes, Home Farm, Low Road. Was discussed strongly and emotionally at times by 17 residents who came to voice their strong objections to this plan. The main issues were of access via Mayflower Avenue, the size of the plan (up to 5 homes), flooding, the future and "scope" creep, the effect on Scrooby, and the fact it is "All Matters Reserved" which could allow a lot of changes without discussion or consensus. The residents were urged to send in their own individual objections as this would carry more weight. In the meantime the Parish Council and Jack Bowker would ask for this to be a) delayed and b) decided by Planning Committee it is so significant. After the public discussion the Parish Council also discussed their response and objections including change of use, access, and the SNAP plan report comments. **Action:** The clerk to send out an initial response, to be validated by individual councillors and then lodged with Bassetlaw before the 25th deadline.

 - 12.1 Grass Cutting - Nothing to report.
 - 12.2 The development of The Whinze and Gibbet Hill Common – Final work by North Notts Landscaping is complete. The gates will have access instructions for larger needs. The change of direction with hard core pathways has been agreed and is to be ordered.
 - 12.5 The Pilgrim Fathers Memorial – A pictorial report of the background, design, progress and plan for completion (Feb 2024) was given, including the inscription for / from the Wampanoag tribe.
14. **Items for Information Only / Next Agenda** None. The Chair thanked everyone for an unusually long meeting.
